Figure 7

A cross-sectional view of a multi-layered structure 10. The structure consists of a top layer 12, a middle layer 14, and a bottom layer 18. A central vertical channel 40 is formed by two vertical walls 48. The top layer 12 has a top surface 16 and a bottom surface 32. The middle layer 14 has a top surface 28 and a bottom surface 32. The bottom layer 18 has a top surface 28 and a bottom surface 32. The structure is shown in a perspective view with a dashed line 53 indicating a continuation of the structure.
